

Clintonville Area Historical Society

Contributed Photo

Organizers of the North Central Airlines Commemorative Exhibit visited the Clintonville Area Historical Society exhibit of North Central memorabilia Monday. Pictured left to right are Mary-Beth Kuester, fourth district alder and member of the City Tourism Committee, Roger Hollingstad, Sheboygan, Jon Helminiak, Executive director of the Aviation Heritage Center and Marilyn Berkvam, president of the Clintonville Area Historical Society. Helminiak is in the process of securing a DC3 which will be named "The City of Clintonville." The Clintonville Tourism committee recommended a donation of \$25,000 for the naming rights and the Common Council passed the measure last month. Helminiak and Hollingstad, who worked as a mechanic on DC3 in the service, also visited the FWD Museum.
